MEMORANDUM FOR: Chief, 

25X1

SUBJECT : Comprehensive Safety Survey 

25X1

25X1

1. The Office of Security has forwarded to us a memorandum listing the attached recommendations for an enhanced safety posture as determined during the 16 January 1979 subject survey. The safety survey officer states these recommendations were discussed with the Bureau Chief.

2. The Physical Security Division requests that they be advised within 60 days after receipt of this memorandum of the action taken to implement these recommendations. Please forward this report to the undersigned and let us know if there is any assistance Headquarters can provide you relative to this survey.

3. The Safety Officer wishes to thank the Bureau Chief for the courtesy and cooperation extended to him during his visit.
